

Parenting the Love & Logic Way[®]

presented by Phylis R. Tomlinson, LPC, LMFT, ATR-BC

www.phylistomlinson.com

A parenting program designed to help parents rear responsible, respectful children who are fun to be around. Provides solutions for families of children from early childhood to beyond adolescence.

Previous participants are encouraged to return to share experiences and reinforce skills. Grandparents and other care givers welcomed. All classes are open to the public.

Learn solutions for:

- ❖ How do I get them out of bed on time?
- ❖ How can I stop my children from bickering and fighting?
- ❖ How do I get my children to help with the chores without an argument?
- ❖ Is there a way to discipline my toddler in public without creating a scene?
- ❖ How can I get my teenage daughter to come home at the agreed-upon time?
- ❖ How do I get him to stop spitting food or whining at dinner?
- ❖ And many other day-to-day parenting challenges...
